Hi Tom,

Eric mentioned you had a question about the waterbody-to-pollutant numbers in the 1-pager for John. I've talked with Jim and Eric and made a small edit to the paper to clarify that the total number of actions in front of the Region is 73 waterbody-pollutant combinations.

Chris

Subject: Deschutes paper

Hi Tom –

John had asked for a Deschutes update paper this week. Thanks to Chris Hunter, who prepared the attached draft. Can you take a look/send on to John? Thanks!

Jim
